how YOU CAN HELP the horses

Field of Dreams  
Horse Rescue & Adoption  
is a nonprofit 501(c)(3) all  
volunteer organization operating  
solely on donations. Our  
purpose is to take in horses  
that are "in-between" homes  
and help them to be healthy in  
mind and spirit so we can assist  
them in finding  
their forever homes.
