Freehorse Farm Eventers' Dressage Challenge Rules

Attention Eventers! Have you ever had that unfortunate line that caused a run-out, or the rail that took the lead away from you? How about the cross country where you had time faults because the footing was hard and you ran carefully, or didn't even run at all. "But I had the dressage ride of my life!" This award is for you!

Introducing the *Freehorse Farm Eventers' Dressage Challenge!* This award was developed to support, encourage and commend the eventing pair that excels in the dressage phase. It is open to adults and young riders competing at all levels. The challenge is based only on your dressage score, not the final result of the event. Freehorse Farm would like to accentuate the importance of the dressage phase and acknowledge those who are putting in their best effort and inspire others to do so in the future! We would like to expand on future categories of the Event Horse Dressage Challenge.

So save those dressage tests! The results will be based on an average of five scores from any recognized horse trials during the IDCTA competition season. The scores may be from 2 levels as long as they are concurrent; and must be the same rider, horse pair.

Get out there and do your dressage, smile down centerline and own the ride! Freehorse Farm and Kevin Nelson, DVM will provide a beautiful prize for our first place pair and reserve champion with ribbons through sixth place.

Good luck competitors!
