Ms. McDonald will bring her expertise and wisdom to us for a wonderful learning experience. Please join us as a rider or auditor for this great experience.

Ms. McDonald lives in Hailey, Idaho, with her husband who is a hunter/jumper and trainer. She trains and teaches riders at Peggy and Parry Thomas's River Grove Farm in Sun Valley, Idaho. With her Hanoverian mare Brentina, the partnership won team and individual gold at the 1999 Pan American Games, team silver at the 2002 World Games, in 2003 was the first American to win the World Cup, won team bronze at the 2006 Games and a team bronze at the 2004 Olympics.

Ms. McDonald began her career in show jumping. However, after a serious fall in 1990, she switched to dressage. She first met Parry and Peggy Thomas when she got a catch ride at a dressage show in Las Vegas on one of their horses whose rider was not available.

Since 2010, Ms. McDonald has been the US Equestrian Federation developing dressage coach, a role designed to identify and cultivate future US dressage stars.

Don't miss this unique opportunity to experience Ms. McDonald's highly sought-after coaching and clinic skills.
