With the show season well underway, many of us are pushing towards our goals of qualifying for the USDF Regional Championships or the IDCTA Schooling Show Championships. Good luck in all of your qualifying endeavors! Qualifying for these events is an achievement in and of itself. I know I am always proud of the many IDCTA members who qualify for various championships, as well as those who participate in regional and national events.

It is now time to move my focus to several important IDCTA matters. Board elections are coming up and we are looking for candidates to join our board. We are seeking candidates who are dedicated and willing to help us promote equestrian disciplines in general, and Dressage and Eventing in particular. Candidates must be members of IDCTA in good standing the year before they run (must be a 2016 member to run in the 2017 election). Candidates must be willing to attend 9 to 10 one-hour conference calls and two face-to-face meetings per year (meetings may go slightly longer than one hour). The face-to-face meetings include an introductory meeting and the final meeting of the year (to celebrate!). Participation in organized activities is helpful (you may choose which). Please let me know of your intention to run by emailing me at mollymfine@gmail.com by October 1st, including the position you are running for as well as your biography for publication in the Scribe. If you are not able to run, but have a suggestion for someone who could, I’d love to hear from you! Please give this some thought and let me know as soon as possible. The success of our organization is directly related to the enthusiasm and dedication of our leadership.

The Annual IDCTA Year End Awards Banquet is scheduled for January 11, 2018, and competition scores and volunteer hours sheets will be due on October 31, 2017. These forms must be completed and submitted to their various chairs: Schooling Shows, Cecelia Conway; Eventing, Dory Touey; and Dressage, Denise Ingeman. There will be some really great prizes awarded this year, and we’re looking forward to a good turnout at the banquet on January 11. Score report forms and instructions can be found at www.idcta.org under the “Forms” tab, or under the “Awards” tab, then “Year End Awards.”

On November 18 and 19, Debbie McDonald joins us for a clinic at Accredo Farms at Sunflower, in Bristol, WI. There will be eight riders selected. Debbie will give a lecture on Saturday during lunch. This former Olympic team member will bring her considerable talent to our area to help clinic participants improve their riding, whether their goals are for competition or their own riding enjoyment. On Saturday night there will be a saddle fitting demonstration by Kate Ballard, followed a veterinary session during Sunday’s lunch with Dr Sarah Peters on “How to prevent injuries in the Dressage/Performance horse”. What a great learning opportunity! Applications are open for clinic riders, so take this opportunity to sign up. Attendees can order lunch for either or both days of the clinic, so you can dine during the scheduled lectures. The weekend will be jam-packed with education, and clinic attendees will walk away with a new depth of equestrian knowledge. Please put this on your calendar and join us for this event.

One last thought… IDCTA membership is important and vital to our putting on yearly shows, clinics and awards. If you are not already a member, please join! And if you have any suggestions for future activities, please send them my way.

Thanks to all who volunteer, and Happy Riding.

Accredo Farms at Sunflower Farms
Bristol, WI

Opening date: July 15, 2017
Closing date: November 1, 2017

Symposium format:
8 individual rides each day and
lectures during lunch (the top 5 rider issues that block horse
performance and how to prevent injuries in the dressage horse)
and at end of day 1 (proper fitting of the dressage saddle with demonstration)

Rider cost for 2 rides, stabling and lunch each day (for you and your groom):
$575 for IDCTA members
$650 for non-members
Stabling is included and comes with 1 bag of shavings

IDCTA members: $35/day with preregistration; $40/day at the door
Non-members: $40/day with preregistration; $45/day at the door
Lunch will be available for purchase at $8/day.

Eight lucky riders will have a chance to ride with Debbie McDonald! Ms. McDonald will also give
a lecture on the top 5 rider issues that block horse performance. Dr. Sara Peters, DMV, will give a
lecture on preventing injuries in the dressage horse. Kate Ballard will give a lecture and
demonstrate proper fitting of the dressage saddle. Please join us as a rider or auditor for this great
experience.

Ms. McDonald lives in Hailey, Idaho, with her husband who is a hunter/jumper and trainer. She
trains and teaches riders at Peggy and Parry Thomas's River Grove Farm in Sun Valley, Idaho.
With her Hanoverian mare Brentina, the partnership won team and individual gold at the 1999 Pan
American Games, team silver at the 2002 World Games, in 2003 was the first American to win the
World Cup, won team bronze at the 2006 Games and a team bronze at the 2004 Olympics.

Ms. McDonald began her career in show jumping. However, after a serious fall in 1990, she
switched to dressage. She first met Parry and Peggy Thomas when she got a catch ride at a dressage
show in Las Vegas on one of their horses whose rider was not available.

Since 2010, Ms. McDonald has been the US Equestrian Federation developing dressage coach, a
role designed to identify and cultivate future US dressage stars.

Don't miss this unique opportunity to experience Ms. McDonald's highly sought-after coaching
and clinic skills.

Dressage Year End Awards

OVERVIEW:
IDCTA shall present Champion and Reserve and third through sixth place awards at the end of each competition year. The awards will be based on the average test score for each rider and horse combination as outlined below. Awards of the levels are as following:

- Horse and rider combinations having the best average for the top five (5) rides of those submitted for each level from Green as Grass/Introductory through Fourth Level.

- Horse and rider combinations having the best average for the top four (4) rides of those submitted for each of the FEI levels from PSG through Grand Prix.

- Horse and rider combinations having the best average for the top three (3) rides of those submitted for Musical Freestyle at each USDF and FEI recognized level (training through Grand Prix).

- Champion and Reserve and third through sixth place awards will be awarded for Open, Adult Amateur and Junior (Jr)/Young Rider division. Final divisions for each level are at the discretion of the Dressage Committee as entries warrant.

Rides will be counted at the level they are ridden (e.g. training, second). The rider must select which division they wish to compete in (Jr./Young Rider, Adult Amateur, or Open) as per their USEF classification e.g. professional rider (Open), adult amateur, etc. If the rider is an Adult Amateur or Jr./Young Rider and has the required number of tests for example at Adult Amateur and Open at that level (10 unique tests total for USDF level or 8 unique tests for FEI level or 6 unique tests for Freestyle), they may compete in both divisions. It is the competitor’s responsibility to ensure that they have the required number of rides at each level within the division.

SCORE REPORT FORMS:
IDCTA has a Score Report Form available for use by its Regular, Junior and Life members. The Score Report Form is available from the WEB site, can be photocopied from the newsletter when published, or requested from the VP of Dressage, or any Board Member. This form is used one per level and division and requires a copy of each test that clearly indicates the name and location of the show, name of the judge, name of the horse, name of the rider, the date of the show and is signed by the judge. Alternatively, a score report from the USDF WEB site can be attached to the form after indicating which rides are selected for USDF/USEF recognized shows.

This is the responsibility of the rider; the only exception is if a $50 late fee in addition to the regular membership fee is paid. See membership application for renewal rules.

Section 2: Awards will be determined for all levels from results of United States Eventing Association (USEA) Three Day Events, Two Day Events, Horse Trials and Mini Events held in the United States. IDCTA Grant Program

The IDCTA Board of Directors has updated our Grant Program for our membership. We are very excited about this program and hope that more IDCTA members begin sending in applications for upcoming clinics, whether IDCTA, USEA, USDF or USEF sanctioned.

As always, the funds must be used for tuition only. IDCTA members can qualify every two years. To qualify for a grant, clinics must be with trainers from greater than 100 miles from the Chicagoland area. The clinics must be produced by IDCTA, USEA, USDF, USEF or must be an approved clinic. In return, IDCTA asks that the recipient of the grant write a detailed article about the clinic for the next issue of the *Scribe*. The article should be a minimum of one typed page and may include photographs (please provide photographer credit).

Other qualifications are as follows: An applicant must be a member in good standing of IDCTA for a minimum of six months at the time the clinic is to be held. An application and copy of the clinic entry must be submitted a minimum of 60 days prior to the opening date of the clinic. This will allow the Board of Directors enough time to review and vote on the applicant’s request at the next board meeting.

One grant per clinic may be awarded. Not every qualified clinic will be awarded a grant. The two main factors that will be considered when awarding grants are the following: IDCTA volunteer hours totaling a minimum of 5 in the past calendar year and each applicant’s past riding experience without regard for number of shows entered or success in the show ring.

The amount funded by IDCTA per clinic is $200, or the cost of the clinic tuition, whichever is less. The grant funds may only be used for the clinic the applicant anticipates participating in as a rider, and not an auditor. Funds may not be used for stabling, hauling or other associated expenses, other than the cost of the clinic tuition. Grant funding may vary each year depending on the amount available and number of qualified applicants, and will be awarded on a first come, first served basis. Funds not used in a given year will be rolled over to the next year.

In cases where the grant recipient does not participate in the requested clinic or an article is not submitted within a month of participating in the clinic, the funds granted shall be returned to IDCTA immediately. This will allow the money to be used for another applicant.

All grant applicants will be notified of the decision by phone or email after the board has voted. Checks will be mailed to the applicant only after the *Scribe* article has been received.
